PROFILE

Passionate Front-End Developer with one year of experience in building responsive and user-friendly web applications using **Next.js, React.js**, **JavaScript**, and **CSS**. Proven track record of delivering high-quality projects on time, with a focus on performance optimization, SEO and cross-browser compatibility.

SKILLS

Front end: Next.js - React.js - TypeScript - Redux - Zustand - Bootstrap - Tailwind CSS - CSS Modules

EXPERIENCE

Front-end Developer, *SustainGRC* Dec 2025 – Present
UK, Remote

Contributed to the development of web interfaces for a sustainability and GRC platform, focusing on building scalable, responsive UI components, improving user experience, and collaborating with cross-functional teams using modern Front-End tools.

Front-end Developer, *Caducs* May 2025 – Dec 2025
Cairo, Remote

Built responsive and accessible web applications using Next.js and Tailwind, following best practices to optimize performance and SEO through server-side rendering.

Full Stack Web Developer Using MEARN, Internship, Dec 2021 – Apr 2022
Information Technology Institute (ITI) Ismailia, Egypt

- Gained hands-on experience in modern web development using JavaScript, TypeScript, React.js, Angular.js, Node.js, Express.js, and MongoDB.

EDUCATION

Suez Canal University, *Faculty of Computers and Informatics, Computer Science* Oct 2017 – Jul 2021

- Cumulative Grade: Very Good
- Studied core concepts in Algorithms, Data Structures, AI, Operating Systems

PROJECTS

SIDA POS Website

- Developed a scalable Point of Sale (POS) website using Next.js and Tailwind CSS, implementing server-side rendering (SSR) for optimal performance and SEO. Integrated a headless CMS to enable clients to fully customize website content, following industry best practices for clean code and user experience.

Amazon Clone

- Built an e-commerce site using React.js and Firebase for backend and database.
- Implemented a payment system using Stripe.

Fit Club Site

- Developed a responsive React.js website with Email.js integration for contact form submissions.
